Hi George And Maria,

I left a message with Maria last week regarding the sequestration issue and what impacts it may have on our UIC grant. Michele Dermer and George have answered our query and based on their response, there is yet no definitive answer as to how much our program grant might be reduced because of the sequester. In the meantime, we will just wait for further info from EPA if and when this comes.

Thanks.

Jerry

Sure, Maria, will either you or Jerry, please forward that question to me. The email did not include it.

George

Hi Jerry, I am forwarding George your question – this is a programmatic question.

George, please see question from Jerry.

Thank you.
